

Winters Here at Teen Stop Jeunesse

Staff at Teen Stop Jeunesse hopes everyone had a great holiday and a good new year. We have been busy this winter season planning our annual holiday party, starting up new programs for the youth and trying to keep our youth warm and busy these last cold months. The youth hope to put on a Talent Contest this spring. We hope to have a spring celebration/block party so that we can show case the talented youth in our programming. Stay tuned for further developments.

Singers Club

At TSJ the youth are the only influence in our programming we listen to the youth on what new programming they would like to have in our centre. So when asked by a group if we could start a singers club, we jumped right on it. Our very own Executive Director Patrick LeBlanc with his many years of experience took this on, the program runs once a week as of now and we have guest artist coming out regularly to work with the youth. The youth have been doing such a great job. There is always room for more

What We Been Up To

Making gifts to hand out at the Santa parade.

Presenting a plaque made by one of our youth to 24/7 intouch for all the work they have done

Snow tubing at Adrenaline adventures

Recording in singers club

Annual Holiday Party

First off a big thank you to the board of directors, 24/7 intouch, CIBC, volunteers and staff for helping out and making our holiday party successful. We were able to serve well over 130 meals to our youth and families and also hand out gifts. Our holiday party has always been an important part of the year for us bringing everyone together and we can't wait to start planning for next year.

Volunteers helping serve food

Directors Note

Our staff has been working very hard to ensure that youth have a safe place to be. It is thanks to the support of our friends in the City of Winnipeg we would do this for our community. In the past few months we have gotten support from many individuals and organizations not the least of whom are 24-7 Intouch, The Guertin family, Cambrian Credit Union, Caisse Populaire, MLLC, CIBC and the Sifton foundation just to name a few. We are currently running a fundraiser with the Grand prize being a suite (18 seats) for the Moose game scheduled for the 26th of March tickets are \$20 for one and 50\$ for three the odds of winning are great as we are only selling a maximum of 300 tickets. The funds raised will go to support ongoing expenses for programming. Our Sound studio is becoming busier and busier if you know a youth who is interested in the arts both visual and musical we would love to have them join us @ TSJ. If performing isn't their bag but being a music producer is then we have something for the techies as well. Please check out our Facebook page and follow us on twitter for announcements and programming information. It is our pleasure to serve the people of Winnipeg.

Patrick LeBlanc
Executive Director

Healthy Relationship Program

A new session of our 6week Healthy Relationship project started February 7th. The program is for girls aged 12-18 which focuses on relationship violence. The program includes sessions on self-esteem, gender roles in the media, healthy vs unhealthy relationships, and self-defense and conflict resolution. We will be starting a new program in April/May if you or anyone you know is interested in joining or you would like further information please contact Margaret @254-1618 ext 203 or mpratt@teensstop.ca
